Product Details

Acacia Air freshens bathrooms, resident rooms and public areas. These beautiful fragrances are designed for consistent and powerful 30-day performance which is why Acacia Air outperforms gels, wicks, and even aerosols.

Where to use:

The open air design freshens larger open spaces without the use of batteries, creating maximum surface area exposure and space for air flow, providing effective and efficient fragrance release.

Always works, NO batteries required, and easy to mount.

Simply works on airflow when placed at nose-height near your washroom entry door.

Perfect for Hospitals and Aged Care facilities.

Non-aerosol air freshener to combat respiratory issues.

Fits in a variety of dispensers.
