6" diameter

Ideal fit for smaller urinals

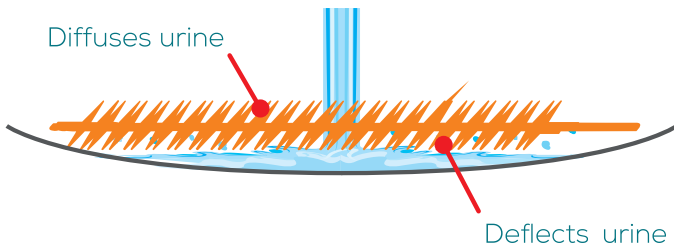

Unique double-sided slant design deflects and defuses urine

Prevents installation errors and keeps floors & shoes clean

Low VOC

Environmentally compliant

A BETTER ANGLE on splash prevention

Ideal for:

Male Urinals in Schools, Universities
Clubs, Restaurants, Offices, Shopping
Centres & Hotels

SLANT 6 Urinal Screen

InterClean is pleased to introduce the SLANT 6 economy urinal screen. This new, individually packaged, 30-day screen is slightly smaller than other screens but is loaded with more fragrance.

The SLANT 6 screen is perfect for those wanting Fresh washrooms at a more economical price.

Tech Specs

- Slanted fingers eliminate 99% of splash back
- No splash on user's shoes and pants
- No lingering urine smell...even after the restroom's been cleaned
- Creates a pleasant experience and leaves a good impression of your facility
- Patented high fragrance load- Freshens strong longer
- Double sided design- both sides reduce urine splash, preventing installation errors
- Contains beneficial bacteria that consumes odors at the source- keeps urinals and drains clean and smelling fresh
- Recyclable- better for the planet
